If they cancel **don't ever void** the reservation (Res Card). If you void it and we get anything on that reservation accounting won't be able to find it. So always change the res card to cancel

### **STOP Client Reach messages**

In order for client reach to work properly, you have to make sure you change the reservation cycle. Go to the drop down and click on the one that pertains.

CIVID CXL = Due to Coronavirus, booking was canceled
 COVID FCC = Future Cruise Credit (use for Future Credit for land tours as well)
 COVID RBK Deposit = trip has been rebooked and under deposit
 COVID RBK Full Payment = Trip has been rebooked and Full payment has been applied.

#### Res Card instructions for Trips that have been Cancelled and will be rebooked in the future
